

Resubmitting the Remote Waste Consolidation Site Annual Notification Element

You are required to complete the Remote Waste Consolidation Site Annual Notification section if you answered “YES” to remote consolidation of hazardous waste on the Business Activities page.

1. Click “**Start**”

2. CERS will remember the information you entered in your last submittal. Check the option “**Based upon my last submittal of...**” and click “**Start**”

3. Carefully review the information from your last submittal and make any necessary changes.
 - Be sure to change the “**Date Certified**” field to reflect the current date.

Click “**Save**”

4. If you have added a consolidation site since your last submittal click **“Add Site”** and repeat step 2.
